

# Announcing the TRANSCAER<sup>®</sup> Training Tour

## New Jersey / Pennsylvania / Delaware

### Anhydrous Ammonia, Ethanol and more!

TRANSCAER<sup>®</sup> (Transportation Community Awareness and Emergency Response) Training Tours are coming to New Jersey, Pennsylvania and Delaware from June 6-23, 2011. This tour will visit Piscataway, NJ; Bethlehem, PA; Harrisburg, PA and Wilmington, DE.

The NJ, PA and DE State TRANSCAER Teams have teamed up with CHEMTREC<sup>®</sup>, The Dow Chemical Company, Norfolk Southern, Conrail, Potash Corporation, The Firefighters Education and Training Foundation, The Fertilizer Institute, Tanner Industries, Inc., The Renewable Fuels Association, local chemical manufacturers and carriers and other local supporting agencies.

This free classroom and hands-on training will feature safety training, rail cars and bulk trucks. An exhibit area will also be featured. The hazmat-based training curriculum is designed to meet the needs of various stakeholder groups and is free to all participants. To better meet these needs, multiple training tracks have been developed. Each training track is offered on each day of training.

Tracks will include Anhydrous Ammonia, Ethanol, Hazmat Transportation Equipment and additional hazmat tracks specifically selected for your state. To get more information about the training tracks please visit the [TRANSCAER Registration Web Site](http://www.transcaer.com/regional.aspx?ID=1) at <http://www.transcaer.com/regional.aspx?ID=1> and select your state. Tracks are listed under State Events.

As part of the emergency preparedness training, community leaders are invited and encouraged to attend to learn how they can elevate their assistance and communications within their communities.
